Already the second month of 2017. Time flies. Here's an update as to what we're working on. With the 4K class we are memorizing the Lord's Prayer. Some of your children already know it by heart. I encourage you- if you don't already- to pray the prayer that Jesus gave us every night. With the 3 year-olds we are learning to sign parts of Jesus Loves Me. Thank you for giving me the opportunity to teach your children. It is often the favorite part of my week.

In Christ,  
Pastor Conradt
